COMMENTS FROM THE TOWN MANAGER'S OFFICE

The warrant of bills to be paid this week is just over \$150,000.00. One half of the amount is repayment of temporary loans. The warrant is the next to the largest one that has been paid by the town in three years. The last warrant of the year last year was \$165,000.00.

Tax payments have been very steady this past week but I would not dare estimate the percentage of the commitment that will be paid before the books close Dec. 31. I certainly hope that this year's payments will equal or better the 95% of last year. Most tax bills were a little smaller than last year so the payments should be as good as last year.

The streets were plowed this last storm without the grader and although the streets were plowed it is quite apparent that a grader does the job much better. The rain and fog last week end softened the dirt roads a lot and made the plowing very difficult. I hope the rain helped the ground water situation some.

The water level has remained the same for a month at the West Bethel pump house. There is still water there but people on the system should continue to use the water with caution and not waste any. I believe that most people are conserving the water and with the help of everyone we will have water until spring.

—Michael Houdihan

New Year's Day guests of Rev. and Mrs. Robert Jackson are Mr. and Mrs. Alfred Jackson of Elmhurst, Long Island, and Mr. and Mrs. William Jackson of Wildwood, Georgia.

CHAMBER OF COMMERCE TO HOLD ANNUAL MEETING

The Greater Bethel Chamber of Commerce will hold its annual meeting and election of officers Tuesday, January 5, at the Norseman Inn in Bethel. Supper at 6:30 and all interested people are urged to attend.

Plans for the forthcoming year will be discussed and the new chamber placard for 1965 will be shown and issued upon receipt of 1965 dues.

A representative of the James Sewall Company of Old Town was to have outlined the proposed town plan. This, however, has been postponed—probably to the February meeting.

CHANGES NOTED ON 1964 TAX RETURN FORMS

Federal income taxpayers who will be filing returns on either Form 1040 or 1040A will note that there is no requirement to list the names of employers on 1964 return forms. Instead, those with more than one W-2 form must add the salary figures together and enter the total sum. The same applies to withholding. This is very important for husbands and wives who both work and file a joint return.

District Director Whitney J. Wheeler of the Maine District also pointed out that this year the filer's signature must be affixed on the bottom of the first page, rather than on the reverse of the form as previously required.

Sgt. and Mrs. Robert Swallow (Joanne Conner) who have been in England for the past three years, spent Christmas at the home of her parents, Mr. and Mrs. Morton Conner.

Mr. and Mrs. Walter Tikan, Mr. and Mrs. William Wilkins and Donna, Mr. and Mrs. Charles E. Merrill and Jafar Devlet Muraz spent Christmas with Mrs. A. Van Den Kerkhoven.

Miss Dixie Lea Brown returned to Auburn, Monday where she is practicing teaching at Edward Little High School after spending a week with her parents Mr. and Mrs. Richard Brown.

Mr. and Mrs. William Wilkins and Donna with Mr. and Mrs. Charles E. Merrill attended the egg-nog party and supper at Mr. and Mrs. Walter Tikan's West Bethel last Saturday evening.

Ernest Brown, Daryl Young and Tony Chapman all of Bethel, escaped serious injury when the car in which they were traveling overturned on the Old road last Thursday evening. The car was demolished.

Among the students spending the holidays at home are: Jane Linton, Martha Keniston, Linda Paine, Matthew Brooks, Carol Flint, George Kypper, Al Guster, Doreen Hays, Nancy Brown, Trafton Foster, Maynard Morgan, Charles Swain, and Duane Gordon.

ALIENS MUST REPORT ADDRESSES IN JANUARY

C. C. Doughty, District Director of the Immigration and Naturalization Service, stated that the annual alien address report program usually causes a sharp rise in the number of applications for naturalization.

The law requires all aliens in the United States, with few exceptions, to report their address each January. Throughout the United States, almost thirty percent more applications for naturalization are received during the months of January, February, and March than are received during the other months. Mr. Doughty attributes this sudden rise to the Alien Address Report Program.

Aliens not required to make this report are diplomats, those accredited to certain international organizations, and those who have entered temporarily as agricultural laborers.

Forms for making the reports will be available to aliens at all Post Offices and offices of the Immigration and Naturalization Service during the month of January. Mr. Doughty indicated that aliens desiring information concerning naturalization or similar matters should obtain the forms at an office of the Immigration and Naturalization Service where personnel trained in these fields will be available to answer inquiries. It is estimated that approximately 21,000 persons in the State of Maine are aliens and required to comply with this law. Last January the number of aliens in Maine who reported their address exceeded 21,000.

JORDAN'S RESTAURANT Re-Opening Saturday, Jan. 2 8 A. M. to 9 P. M. — 7 Days Regular Meals and Lunches

BROTHERS UNITED AFTER 27 YEARS

Richard Littlefield of South Bethel and George Newman of Ann Arbor, Mich., brothers who had never met were united in Portland the Wednesday before Christmas.

Richard brought his brother home and they spent a very happy two days, George meeting Richard's wife, Nesta, and their lively family, Randall, Cathy, Laurie, Sharon and Richard Jr., also others of the family, and friends. George is a law student at Ann Arbor, Mich. Richard is employed in Rumford.

Mr. and Mrs. Littlefield took his brother to Boston, from there he went to New York, to join his wife for the holidays.

It took much research and many months of patient interviews until finally the brothers were united by phone last March. George spent much of his life in the west. He was adopted by an aunt when an infant and brought up by her. Richard lived in Portland and was taken by Mr. and Mrs. Warren Bean of Bethel when young and brought up and educated as an own son.

NORTH WOODSTOCK LANDMARK GUTTED BY FIRE

Fire apparently starting from defective wiring completely gutted the main house and caused extensive damage to the oil connecting a house and barn at the home of Lloyd Davis, North Woodstock, late Saturday evening.

Mr. Davis investigated after hearing sounds and his dog appeared uneasy. When he opened a door leading to the upstairs, he reportedly found the room filled with smoke.

The Woodstock fire department responded to the call and about 250 feet of hose was laid to a nearby brook.

Much of the furniture was removed, reports said, some was damaged by water.

Mr. Davis saved 18 head of cattle, two horses, a car and tractor.

The landmark is situated on Route 232 and is the only brick house in the community, according to reports. Bricks were hauled from Portland in 1847 by ox team when the house was built.

The loss was not estimated. Mr. Davis said he was covered by insurance. He plans to rebuild in the near future.

Mr. and Mrs. Howard Parsons and family, Irving York, U. S. Army, Ronald York, U. S. Navy and Mrs. York were holiday guests of Mr. and Mrs. Dan and York South Bethel.

RETAIL SALES REACH \$51,953,000.00 IN OXFORD COUNTY

How big a finger did Oxford County have in the prosperity pie during the past fiscal year?

What were the gains, locally, in terms of personal income and retail business activity?

The first figures covering this period, which comprises the 12 months ending June 30, 1964, are now available. They paint a picture of an expanding local economy. For the average family, earnings were higher than in the previous year. The amount spent in local retail stores was considerably more.

The findings are contained in the annual report of the Standard Rate and Data Service, just issued. They indicate the trends in each section of the country, based on data gathered from Federal and state agencies and from other sources.

The report shows that the volume of business that was done by Oxford County's retail merchants in the year reached \$51,953,000, exceeding the previous year's \$46,723,000.

It represented a gain of 11.1 percent, which was more than was achieved in most parts of the United States, the average improvement being 5.4 percent. The New England States rise was 8.3 percent.

Most lines of business shared in the advance, some to a greater degree than others.

As was the case the year before, the automobile industry was in the forefront. Runners-up were stores selling such durable items as washing machines, boats, refrigerators, air conditioners and the like.

The consumer, whose decision to spend or not to spend determines whether the economy goes up or down, was in a buying mood throughout the year.

With more money in his pocket and no threatening clouds on the horizon, he spent more than he ever did before in a single year.

The figures show that residents of Oxford County had a net disposable income, after payment of taxes, of \$82,777,000, topping the fiscal 1963 total of \$80,723,000.

This amounted to no less than \$6,390 in spendable money, on the average, per local household.

Despite occasional misgivings, there are no signs of an end to the present period of national prosperity, which has run for nearly four years without interruption.

VISITING MAINE SCHOOLS
Exhibits from the University

dren with Maine's contempo-
rary artists and the scope of
their work, have been growing
in popularity.

Fifteen exhibits are "on the
road" this year ranging from
original water colors, etchings
and engravings to photographs.
Last year's initial shows in-
cluded five exhibits, which
quickly grew to nine.

remain at each school for a two-
week period.

MT. ABRAM SKI CLUB ELECTS OFFICERS

MT. Abram Ski Club held a
supper meeting Saturday even-
ing in the lodge at Mt. Abram
Ski Slope.

Members elected the follow-
ing officers for the coming year:
—President, Lester Bickford,
Locke Mills; vice president,
William Schultz, Portland; treas-
urer, Priscilla Morgan, Nor-
way; secretary, Ann Farrow,
Bryant Pond; corresponding
secretary, Virginia Keniston,
Bethel; publicity chairman,
Cathy Bickford, Locke Mills;
Andre Warren of Topsham,
Donald Cross of Bethel, Merrill
Lathie and Milton Libby of
Portland, serving on the board
of directors.

The club presented a sum of
money to the Cross Brothers,
owners and managers of Mt.
Abram Slopes, to use in pur-
chase of a public address sys-
tem recently installed in the
lodge.

Members also authorized of-
ficers and directors to plan and
schedule all meetings and gave
the president the power to ap-
point necessary committees for
the coming year. Members pre-
sented voted it would only be nec-
essary to have club meetings ev-
ery four weeks.

Mr. Abram Ski School Direc-
tor Glen Kedalsch outlined
plans to classify junior skiers
according to age and ability, es-
tablishing the rules of the
Eastern Amateur Ski Associa-
tion. Mr. Kedalsch also was el-
ected to serve as chairman of a
committee to encourage and pro-
mote junior participation in all
phases of skiing.

At the next meeting Jan. 16
the club plans to make the de-
finite decision on formation of
an auxiliary junior ski club. All
interested juniors are urged to
attend and voice their opinion.

It was the consensus of those
present that the prime objective
of the club would be to promote
skiing through sponsorship of
junior activities, not only rac-
ing but encouragement of juni-
ors in recreation skiing.

20 SECONDS WITH THE NAZARENE

SUCCESS: He has achieved success who has
lived well, laughed often, and loved much; who
has gained the respect of intelligent men and
the love of little children; who has filled his
niche and has accomplished his task; who has
left the world better than he found it; wheth-
er by an improved poppy, a perfect
poem, or a rescued soul; who has never lacked
appreciation of earth's beauty, or failed to ex-
press it; who has always looked for the best
in others and given the best he had;
whose life was an inspiration, his memory a
benediction.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The books are closed for other year and the tax items were up a very percentage over 1963. The items for 1964 are \$238,800 paid and \$23,190.78 unpaid. The paid percentage for 1964 is 91.1% which is a little better than the 90.7% in 1963. I hoped that it would be better this year than 91.1% because there was a small decrease in the rate.

The auditor is scheduled to be here the week of January to audit the town books. It is very difficult to get the books ready for auditing and the paid lists prepared and the other necessary preparation in such a short time after the closing of the books on December. However, it must be done in order to have the material for the town report of the current year.

The supply of salted sand is quite low for this time of year and an additional 1000 yards is going to be put in. This is a bad time of year to stockpile sand but there is a lot of winter ahead and we will certainly need more sand than there is available.

Some parents have complained that functions are being held at the Community Room. They are not properly chaperoned. Before asking for use of the Community Room, the person or group should have two chaperones over 21 years of age. Young people who use the Community Room are very orderly and well behaved but there should be chaperones available.

This is a very good time to pay excise taxes and get auto registrations. The first of March will be here in no time so anyone wishing to avoid a rush should take care of these matters now.
